CASCARETS CLEANSE LIVER AND BOWELS
No Bilelessness, Headache, Sick, Sour Stomach, Indigestion, Coated Tongue or Constipation.

Furred Tongues, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a well barrel. That's the first step to untold misery—indigestion, sour gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give you a thorough cleansing inside and straighten you out by morning. They work while you sleep—A 16-cent box from your drugist will keep you feeling good for months. Millions of men and women take Cascarets now and then to keep their stomachs, liver and bowels regulated, and never know a miserable moment. Don't forget the children, their little insides need a good, gentle cleansing, too.
